

AARONAP CELLARS

2016 REVOLUTION ROAD RED

Price: \$24.00

Wine Summary:

On April 19, 1775, the Westford Militia marched to face the British army at the Battle of Concord. Along the road to revolution, those brave patriots passed the property that would eventually become the home of Aaronap Cellars more than 200 years later. We honor their memory with a bold red wine made from grapes grown along the shores of Narragansett Bay in Rhode Island. \$2 from the sale of every bottle is donated to the Westford Historical Society to help preserve Westford's revolutionary history.

Tasting Notes:

Aromas of raspberry, red currants, plum, and black pepper grace the nose with hints of truffle at the end. Well-structured tannins with a final taste of cranberries and black pepper on the lingering finish. Drink from 2017-2025. Pair with roasted lamb, bison burgers, grilled bluefish, or a savory wild mushroom risotto.
